Ice is reserved on a "first come, first served" basis with a maximum of 25 skaters per session.

Important!

PARKING CHANGES!!!

The parking lot surrounding the OSU ice rink is 24/7 pay visitor parking if you do not have the appropriate OSU parking hangtag. This is a trial implementation of a new kiosk system by OSU Transportation and Parking. You may purchase a quarterly parking permit at the OSU ice rink counter for \$22.50 or pay hourly (\$1/hour) using the kiosk machines. The kiosk machines accept coins and credit cards. Single day hangtags are also available for \$5.00.

MONITORS ARE NEEDED!!!

Ice monitors receive **CREDITS** toward their next ice contract. Ice monitors make sessions safe for our skaters and keep the ice costs down. They are needed on all sessions. Responsibilities include taking attendance, taking payment, playing music, and enforcing the club's safety rules and policies. Monitors receive a \$5.50 credit for each hour worked. Please indicate which sessions you would like to monitor on the ice application.

Parents, this is a great opportunity to help keep ice costs down for your skater!!! Please consider monitoring - especially if you will be sitting in the stands while your skater is on the ice.

Need a little extra time? Skaters who contract for a session have the opportunity to add on to that session in 15-minute increments. This is available on a stand-by basis only at the walk-on rate of \$14/hour or \$3.50/15 minutes. Check with the ice monitor for space availability and payment.

Unable to commit? Walk-on/stand-by ice can be purchased at a rate of \$14/hour. Check in with the monitor to ensure space availability and for payment **prior** to taking the ice.

Punch cards: CFSC punch cards are offered as a convenience for frequent walk-ons. The cost is \$65 for 5 hours of ice. When punch cards are used, the entire session must be purchased.

A \$25 late fee is charged for payments received more than 10 days after the due date. Returned checks are subject to a \$15 fee. Failure to uphold your financial obligation will affect skater's eligibility to test and compete. Sessions with low registration may be cancelled. Please retain a copy of the completed application for your records.
