Ice is reserved on a "first come, first served" basis with a maximum of 25 skaters per session.

OSU STUDENTS

OSU students (enrolled W110 quarter either part-time or full-time) may skate on the 6:00 – 7:15am Wednesday morning sessions without becoming CFSC members. However, they must join CFSC (as home club or non-home club members) in order to skate on any other club sessions. Please provide the ice chair (cfsc_ice_chair@yahoo.com) with proof of enrollment and USFS membership at the beginning of the quarter. A list of approved OSU students (i.e. those whose enrollment and USFS membership has been verified) will be maintained in the ice monitor's logbook.

LOW-LEVEL FREESTYLE SESSIONS FOR CFSC GROUP LESSON STUDENTS AND CLUB MEMBERS

There will be a 30 minute freestyle session immediately preceding the CFSC group lessons from 12:00 – 12:30pm on selected Sundays. This session will be a low-level freestyle session open to CFSC group lesson students and CFSC club members. This is an opportunity for group lesson students (and regular club members) to practice in a low-level, monitored freestyle environment. There is no minimum skill level for this session (in contrast to all other club sessions for which a skater must have passed Basic Skills level 6 or above for in order to practice independently). Skaters may skate on this session on a walk-on basis paying either cash, check or punchcard (no contracts for this session).

PARKING

The parking lot surrounding the OSU ice rink is 24/7 pay visitor parking if you do not have the appropriate OSU parking hangtag. You may purchase a quarterly parking permit at OSU Transportation and Parking (see <http://tp.osu.edu/visitorsmain/parking/permitprices.shtml> for more information) or pay hourly (\$1/hour) using the kiosk machines. The kiosk machines accept coins and credit cards (not bills).

MONITORS ARE NEEDED!!!

Ice monitors receive **CREDITS** toward their next ice contract. Ice monitors make sessions safe for our skaters and keep the ice costs down. They are needed on all sessions. Responsibilities include taking attendance, taking payment, playing music, and enforcing the club's safety rules and policies. Monitors receive a \$5.50 credit for each hour worked. Please indicate which sessions you would like to monitor on the ice application.

Parents, this is a great opportunity to help keep ice costs down for your skater!!! Please consider monitoring - especially if you will be sitting in the stands while your skater is on the ice.

Need a little extra time? Skaters who contract for a session have the opportunity to add on to that session in 15-minute increments. This is available on a stand-by basis only at the walk-on rate of \$7 for 30 minutes or \$3.50 for 15 minutes. Check with the ice monitor for space availability and payment.

Unable to commit? Walk-on/stand-by ice can be purchased at a rate of \$7 for 30 minutes. Check in with the monitor for space availability and payment **prior** to taking the ice.

Punch cards: CFSC punch cards are offered as a convenience for frequent walk-ons. The cost is \$65 for 5 hours of ice (\$6.50 for 30 minutes).

A \$25 late fee is charged for payments received more than 10 days after the due date. Returned checks are subject to a \$15 fee. Failure to uphold your financial obligation will affect skater's eligibility to test and compete. Sessions with low registration may be cancelled. Please retain a copy of the completed application for your records.

Make checks payable to: Columbus Figure Skating Club

Contracts and payments may be left in a sealed envelope in my file folder at the ice rink (which is located under the CFSC bulletin board just to the right as you enter the inside doors) or mailed to:
